**§ 601. Establishment**

**(a) In general**

(1) There is established an office of the Congress to be known as the Congressional Budget Office (hereinafter in this chapter referred to as the "Office"). The Office shall be headed by a Director; and there shall be a Deputy Director who shall perform such duties as may be assigned to him by the Director and, during the absence or incapacity of the Director or during a vacancy in that office, shall act as Director.

(2) The Director shall be appointed by the Speaker of the House of Representatives and the President pro tempore of the Senate after considering recommendations received from the Committees on the Budget of the House and the Senate, without regard to political affiliation and solely on the basis of his fitness to perform his duties. The Deputy Director shall be appointed by the Director.

(3) The term of office of the Director first appointed shall expire at noon on January 3, 1979, and the terms of office of Directors subsequently appointed shall expire at noon on January 3 of each fourth year thereafter. Any individual appointed as Director to fill a vacancy prior to the expiration of a term shall serve only for the unexpired portion of that term. An individual serving as Director at the expiration of a term may continue to serve until his successor is appointed. Any Deputy Director shall serve until

the expiration of the term of office of the Director who appointed him (and until his successor is appointed), unless sooner removed by the Director.

(4) The Director may be removed by either House by resolution.

(5) The Director shall receive compensation at a per annum gross rate equal to the rate of basic pay, as in effect from time to time, for level III of the Executive Schedule in section 5314 of title 5. The Deputy Director shall receive compensation at a per annum gross rate equal to the rate of basic pay, as so in effect, for level IV of the Executive Schedule in section 5315 of such title.

**(b) Personnel**

The Director shall appoint and fix the compensation of such personnel as may be necessary to carry out the duties and functions of the Office. All personnel of the Office shall be appointed without regard to political affiliation and solely on the basis of their fitness to perform their duties. The Director may prescribe the duties and responsibilities of the personnel of the Office, and delegate to them authority to perform any of the duties, powers, and functions imposed on the Office or on the Director. For purposes of pay (other than pay of the Director and Deputy Director) and employment benefits, rights, and privileges, all personnel of the Office shall be treated as if they were employees of the House of Representatives.

**(c) Experts and consultants**

In carrying out the duties and functions of the Office, the Director may procure the temporary (not to exceed one year) or intermittent services of experts or consultants or organizations thereof by contract as independent contractors, or, in the case of individual experts or consultants, by employment at rates of pay not in excess of the daily equivalent of the highest rate of basic pay payable under the General Schedule of section 5332 of title 5.

**(d) Relationship to executive branch**

The Director is authorized to secure information, data, estimates, and statistics directly from the various departments, agencies, and establishments of the executive branch of Government and the regulatory agencies and commissions of the Government. All such departments, agencies, establishments, and regulatory agencies and commissions shall furnish the Director any available material which he determines to be necessary in the performance of his duties and functions (other than material the disclosure of which would be a violation of law). The Director is also authorized, upon agreement with the head of any such department, agency, establishment, or regulatory agency or commission, to utilize its services, facilities, and personnel with or without reimbursement; and the head of each such department, agency, establishment, or regulatory agency or commission is authorized to provide the Office such services, facilities, and personnel.

**(e) Relationship to other agencies of Congress**

In carrying out the duties and functions of the Office, and for the purpose of coordinating the operations of the Office with those of other con-

gressional agencies with a view to utilizing most effectively the information, services, and capabilities of all such agencies in carrying out the various responsibilities assigned to each, the Director is authorized to obtain information, data, estimates, and statistics developed by the General Accounting Office, the Library of Congress, and the Office of Technology Assessment, and (upon agreement with them) to utilize their services, facilities, and personnel with or without reimbursement. The Comptroller General, the Librarian of Congress, and the Technology Assessment Board, are authorized to provide the Office with the information, data, estimates, and statistics, and the services, facilities, and personnel, referred to in the preceding sentence.

**(f) Redesignated (g)**

**(g)<sup>1</sup> Authorization of appropriations**

There are authorized to be appropriated to the Office for each fiscal year such sums as may be necessary to enable it to carry out its duties and functions. Until sums are first appropriated pursuant to the preceding sentence, but for a period not exceeding 12 months following the effective date of this subsection, the expenses of the Office shall be paid from the contingent fund of the Senate, in accordance with section 68 of this title, and upon vouchers approved by the Director.

**(g)<sup>1</sup> Revenue estimates**

For the purposes of revenue legislation which is income, estate and gift, excise, and payroll taxes (i.e., Social Security), considered or enacted in any session of Congress, the Congressional Budget Office shall use exclusively during that session of Congress revenue estimates provided to it by the Joint Committee on Taxation. During that session of Congress such revenue estimates shall be transmitted by the Congressional Budget Office to any committee of the House of Representatives or the Senate requesting such estimates, and shall be used by such Committees in determining such estimates.
